Early Termination Fee (ETF)

An early termination fee may apply to you when you cancel your agreement with us during the 12, 18 or 24-month minimum term (whichever applicable). For more detail, please see our Terms & Conditions.

Your early termination fee is based on the services that make up your package and the number of months remaining until the end of your minimum term.

How we calculate your Early Termination Fee

Calculating your early termination is simple, the monthly termination fee for your service is multiplied by the number of months remaining.

Service	Monthly Termination Fee
O2 Single 2GB	£11.00
O2 Single 5GB	£11.00
O2 Single 6GB	£11.00
O2 Single 7GB	£12.50
O2 Single 20GB	£15.00
O2 Single 50GB	£19.00
O2 Single Unlimited	£25.50

Any part month is rounded up to a full month. This means that if there are 3.5 months in between the date you leave and the end of your minimum term, the monthly termination fee is multiplied by 4 months.

Example

You are a Onestream O2 Single Unlimited customer and you end your contract 4 months before the end of your minimum term. Your monthly termination fee would be **£25.50**, multiplied by 4 months remaining = **£102**
